Christmas Course 27-30 December 2010
West Road Concert Hall, 11 West Road, Cambridge CB3 9DP

Parent Help

We need additional help from parents to help the Christmas course run smoothly. If you can spare an hour or two, please see what is involved by reading the **Guidelines for Parent Helpers** on the website **www.holidayorchestra.co.uk**. Then return this form to Fiona Rutter with your booking form, indicating the times when you would be available. Please also tick the box if you have First Aid training. We will contact you before the course starts confirming when we will need your help. Please contact Rachel Holt on Rachelholt@talktalk.net or 01223 811512 for more information about being a parent helper.
